From Cape Town or Northern suburbs take the Sable road off ramp on the N1. Follow the road past the Ratanga Junction Theme Park. At the third set of traffic lights after you have past the Theme Park, turn right into Century Boulevard. Turn right at the first traffic circle into Century Way and then immediately left into Intaka Island. The Clubhouse is in the Cul de Sac on the right.

The Century City Clubhouse / coffee shop is next to the Intaka Island Wetland and behind the Knightsbridge Apartment complex. It is indicated on the map above as ‘The CCPOA office’ – see the big black arrow. If you have any difficulty finding it on the morning, please call Rene on 0824533302. See you there!
